

ROBIN WITH REAR GARAGE

5 Bedroom | 4.5 Bathroom
2,243 sqft

Designed with all the main living spaces on the first floor and secondary bedrooms and a den on the second, this larger version of The Robin is perfect for families of all shapes and sizes. Although it is a compact plan, the vaulted living and dining area gives it a spacious feel and a large kitchen and center island makes it funtional for multiple checks to work at the same time.
